Kit Fee: **\$15.00 (US funds)**

Kit includes printable fabric, transfer paper, transparency transfers, gel medium, brushes and other supplies to print or transfer photographs onto fabric.

Supply List

Cotton fabric eight – ten 9” squares light colored cotton fabric (high thread count will work best); these can be muslin or white solid color or subtle prints on white or very light color – bring a few different options to try.

2 photographs **maximum size 5” x 7”**

NOTE: It is **preferred** that your photographs be on a CD, but if you can't do that I can scan your photographs in the class.

Please select **at least one** photograph that will relate to one of these words:

- Birthday
- Spring
- Fall
- Friends
- Sea or Ocean
- Forest

Masking tape ½” wide

Metal spoon one that you won't use for food again

6 – 7 fabrics Select fabrics to coordinate with your pictures (to create a small collage). Choose one fabric for background (12” x 14”) and several accent fabrics (smaller pieces are fine for these). These can be cotton or non-cotton fabrics.

Batting thin cotton or cotton blend – 12” x 14”

Backing fabric cotton, 12” x 14”
