

SASHIKO FUROSHIKI  
(18" x 18")

Students will learn to make a traditional furoshiki (Japanese wrapping cloth) using sashiko stitching techniques. Different types of sashiko stitches will be taught as well as how to transfer a design to fabric. Students will choose designs from a variety of stencils offered for use in class. Additional design templates will be provided in the kit.

Kit includes: Fabric, sashiko thread, needles, design templates and transfer paper. Students should bring a 12" ruler, scissors, pen and pencil to class. Kit Fee: \$25.00
